NIKITA WINS A TRIP.

Last spring my cousin Nikita won a trip to the USA!

Nikita is a 12-year-old boy. His favorite subject at school is Geography. He is good at English too.

He has an e-mail friend Jack. Jack lives in San Francisco. They often send e-mails. Nikita knows a lot about America and other countries.

Jack writes to Nikita a lot about his home town. He says it is very beautiful as it stands on the hills. The most famous place of San Francisco is the Golden Gate Bridge.

One day Nikita wrote a test about America. The winner is going on a trip to the USA. Nikita won it because nobody in his class knew that the Golden Gate Bridge is situated in San Francisco. But Nikita did.

This summer Jack and Nikita are going to meet. But not in San Francisco! It is too expensive for Nikita to cross the country. So two friends will meet in Washington D. C. and spend a week together. I think they will have great time!
